### **Biography in english:**

I am a member and a previous International Vice-President of the SMPSP (Society of Motion Picture Still Photographers) and member of PFA (Photographes de Films Associés) I co-founded.

I was born in England and am based in Paris, France. (British and French nationalities. Bilingual.)

At the age of 16, I started playing along with photography, a family tradition. I have since lived many lives as an actress, a director, a photographer. During more than fifteen years, I have happily established myself as an experienced unit still photographer.

I have been working on various french cinema d'auteur projects, big budget movies and Canal+, Amazon, Epix, Netflix high profile series, as well as on major international productions such as *LUCY* and *THE FAMILY*, directed by Luc Besson, *EQUALS* directed by Drake Doremus, *OVERDRIVE* directed by Antonio Negret , *PATRIOT* series created by Steven Conrad for Amazon Studios...

Adding up to my knowledge of cinema, photography, lighting, grading and retouching, I have an unique relationship with actors and actresses having *been there*.

I have good skills in talent management, pull asides and poster photo-shoots.

### **Biographie en français:**

Je suis membre et anciennement International Vice-President de la SMPSP (Society of Motion Picture Still Photographers) et membre de l'association Photographes de Films Associés (PFA) que j'ai co-fondée.

Je suis est née en Angleterre et je suis basée à Paris, France (Nationalités Française et Anglaise. Bilingue).

À l'âge de 16 ans, je commence à jouer avec la photographie, une tradition familiale.

Depuis, j'ai vécu de nombreuses vies en tant qu'actrice, réalisatrice et photographe.

Depuis plus de 15 ans, je suis devenue une photographe de plateau expérimentée.

J'ai travaillé pour divers projets de cinéma d'auteur, des séries originales Canal+, Amazon, Epix et Netflix, des films à gros budget, ainsi que plus récemment, pour des productions internationales telles que *LUCY* et *MALAVITA* aka *THE FAMILY* réalisé par Luc Besson, *EQUALS* avec Kristen Stewart & Nicholas Hoult réalisé par

Drake Doremus, *OVERDRIVE* d'Antonio Negret , la série *PATRIOT* créée par Steven Conrad pour Amazon Studios...

À mon expérience dans les domaines du cinéma, de la photographie, de la lumière et de l'étalonnage, s'ajoute sur les plateaux ma relation unique avec comédiens due à mon passé de l'autre côté de la caméra.

Je réalise par ailleurs des photo-shoots d'affiches.
